About Institutional Financial Markets, Inc.

IFMI is a financial services company specializing in credit-related fixed income investments. IFMI was founded in 1999 as an investment firm focused on small-cap banking institutions, but has grown to provide an expanding range of asset management, capital markets, and investment banking solutions to institutional investors and corporations. IFMI's primary operating segments are Capital Markets and Asset Management. The Capital Markets segment consists of credit-related fixed income sales, trading, and financing as well as new issue placements in corporate and securitized products and advisory services, operating primarily through IFMI's subsidiaries, C&Co/PrinceRidge Holdings LP and JVB Financial Holdings, LLC in the United States, and Cohen & Company Financial Limited in Europe. The Asset Management segment manages assets through collateralized debt obligations, permanent capital vehicles, and managed accounts. As of December 31, 2012, IFMI managed approximately \$6.3 billion in credit-related fixed income assets in a variety of asset classes including U.S. trust preferred securities, European hybrid capital securities, Asian commercial real estate debt, and mortgage- and asset-backed securities.
